

MORLEY SPEED REPORT SEPTEMBER 2009

On Saturday September 12th, we have a Skate WA League at Kingsway Rec Centre. All nominations for this league are now in and payment is made on the day. This will be our last race meet before our STATE CHAMPIONSHIPS, which start in October.

The artwork for our new skinsuits is finished. We have just paid our deposit on them, and Paul is now working on th material. We are hoping to have our new skinsuits in time for States.

Our chocolate fundraiser is going slower than we had hoped, we still have 15 boxes left to sell. The money raised from the chocolates and some sponsorship money we have received, (after the hard work our Coach, Rod, put in) is going towards the cost of our skinsuits. This then brings down the cost per skater.

To be fair, skaters decided that skaters who sold chocolates, paid \$35 per skinsuit, and skaters that couldn't sell chocolates would pay \$55 per skinsuit. We are collecting skaters' money now.

The paperwork for our STATE CHAMPIONSHIPS is now in the hands of Speed Reps, who are all busy grading skaters so everyone skates in their correct grades. Nomination money for STATES is due in no later than Friday September 25th.
