

MORLEY SPEED REPORT OCTOBER 2009

This month Speed have been busy with our STATE CHAMPIONSHIPS.

On Sunday October 4th, we had our Marathon, followed by our Road events on Saturday Oct 10th and Sunday 11th, then our Indoor events at Saturday Oct 17th and Sunday Oct 18th.

Our Road events were held in Bunbury, on a new section of the Industrial Area, with Bunbury Motorcycles allowing us to use their kitchen and toilet facilities for the weekend.

Bunbury held a canteen for the weekend, which made things easier for everyone to have food and drinks close by.

Our Indoor events were held at Kingsway Rec Centre. The clubs combined and run a canteen for the weekend, again giving everyone easy access to food and drinks.

The canteen raised \$1000, which will go to the State team.

Morley had 8 skaters chosen for Nationals, but only 6 skaters will be going. Due to different reasons, the other 2 skaters won't be going.

We would like to say congratulations to ROD, JESSICA and JULIAN MILES, ROB CLEMENTS, ALEX SIMS, DAN HARRIS, JOE BENNETT and ALAN EADES for being chosen for the State Team.

Speed now need to work on more fundraising so we can help our skaters with expenses.

Speed would like to congratulate ROB CLEMENTS for winning Gold in Master's A, JESSICA MILES for Gold in Juvenile Girl's for Road and Junior Girls in Track and Julian Miles for Gold in Primary Boys and the title of 2009 State Champion for their grades.

We were lucky enough to have our new skinsuits arrive in time for States, Morley skaters were extremely impressed with the final design.

Morley received many positive comments on the new suits during States.

Our bank balance at this time is about \$1100.

Tracey Miles
