Danae and Hayley have offered their auditing services free of charge to the club and their request to therefore be excused from helping at the sausage sizzle was accepted.

**General business.** Western Australia won the Precision Trophy and was runner up overall at the National Championships at the Gold Coast. Congratulations to our skaters who competed in the Nationals and to those who were selected to represent Australia at the Oceania and World Championships. Each of our three skaters selected to compete in the world championships will receive a donation from the club of \$400.

The need for a new order of club tracksuits was noted; club members will be contacted find out how many need them.

**Next meetings.** A special meeting will be held at 6 pm next Monday at the rink to discuss the Christmas showskate/registration night. Our regular club meeting will be on Monday 2 November 2009 at 6 pm.
