**Rink business.** The artistic branch and the Roller-Derby skaters have requested extra time slots for their classes. The rink timetable is to be reviewed after the coaches are consulted. There are plans to hold a fun rink competition early next year, possibly between 4 and 7 pm on a Saturday. A committee needs to be established to organize this.

**General Business.** Proficiency tests are planned for 19 December. A move to combine the Novice Championships with the State Championships next year is to be supported by our club. We were disappointed that the Novice Championships were delayed for 40 minutes because of an officials' meeting running overtime, as this meant a long wait for our new young skaters and their families at their first competition.

**Next meeting:** Monday 30 November 2009 at 6.00 pm.

**Time meeting closed:** 7.10 pm.
