

## Morley Panthers Skating Club

### Artistic Report March 2010

The club is off to a great start in 2010 with a number of successful proficiency tests and a profitable sausage sizzle at Bunnings Morley. Thanks to all our volunteers.

Morley Member Danae Clarke has been sponsored by the WA artistic committee to attend the 2010 Judges seminar in Queensland next month.

Dates for the State Championships are confirmed as the 19<sup>th</sup> and 20<sup>th</sup> of June 2010. The State is to select the top 3 placed skaters and up to two Reserves from each A grade event to Represent W.A. at the Nationals.

A proposal is with the Skate Australia Committee to hold the 2011 Oceania Championships in Perth. It looks like they will hold all disciplines Artistic Speed Inline Hockey and Roller Hockey at the same time with one opening ceremony. We will keep you posted.

The National Committee has asked for a nomination from each state for a Volunteer of the Year. Details of how to nominate not clear as yet.

There will be the opportunity to do Gold Proficiency Tests at National. Skaters will need to nominate and pay up front. There will be no refunds for tests not skated.

The Skate Australia Committee is reinstating the high performance program. High performance and Development Camps are planned for early 2011. They are to be held in W.A., Vic., and Qld. Freeskate coach Jayson Sutcliffe, Dance coach Greg Goodie and Figure coach Michael Albrecht to visit each state in sequence. It is envisioned that the coaches will visit at the same time over the next few years.

We have a number of first time competitors at next weeks league. We wish them and all Morley members all the best with their skating.
