General Business. Since our notice board was removed to make way for the new TV screen, we have been using a temporary location for the minutes and other notices at the end of the lockers. We need to arrange for a new notice board.

A letter will be drafted to the other party involved in the complaint regarding behaviour at the training session. The club is anxious to avoid this kind of incident arising again. We ask all of our skaters, coaches, parents etc. to behave in a responsible manner and show consideration to others.

Next meeting: to be held on Monday 2 August 2010 at 6.00 pm.

Time meeting closed: 6.50 pm.

Judie Hanson, acting on behalf of the President, Derek Finnemore

Agenda for the next meeting will include:

1. Organization of AGM
2. New notice board
