

Morley Speed Report
November 2011

This month has seen the Morley National State Team training hard for the National Championships held in Adelaide in January 2012, and also six boys rehearsing their respective parts for the Artistic Skate Show on Saturday 10th of December.

The Tuesday sessions are still bringing around twenty people with many attendees keen to become new members for 2012. Our bank account holds around \$2400.00.

On 27/11/11 I attended the clubs conference and attended the Fundraiser Sessions, which amounted to being general information on how to apply for sponsorships and government grants. Basically, both sessions recommended having a committee member responsible for applying for sponsorships and grants, and that success in grasping the grant requires the club to show how the funds will benefit the local community rather than just benefiting the club itself. (I.e. age, disability, gender, cultural inclusiveness...) Over all it was a very interesting and informative day.
